Dear Sir:

As of this date Akron Airways, Inc., have not received request for storage space for your Glider AAF Serial Number 43-3124. As of February 16, 1945 Reconstruction Finance Corporation has ceased to be responsible for your glider.

In order to complete our paper work on the sale of this glider, it is suggested that you wire this office whether it is your intention to certificate this glider or use it for parts.

Your good cooperation in this matter would be greatly appreciated.

Very truly yours,
