

## Travel Air Aircraft Database

These Travel Air airplane registrations were compiled from the incredible [www.aerofiles.com](http://www.aerofiles.com) civil aircraft registration database on 8/5/14. I am not responsible for its accuracy and obviously I might have missed one or more when I compiled them. I welcome additions and corrections. You can see their page on Travel Air aircraft at [www.aerofiles.com/travel.html](http://www.aerofiles.com/travel.html) and their civil aircraft registration home page at [www.aerofiles.com/regs-home.html](http://www.aerofiles.com/regs-home.html)

You can search for a given registration, model or serial number by using the Ctrl+F search function.
